

JOURNAL JOG SCHOLARSHIP

Race178

Race178 is awarding a \$500 scholarship* for the 2016-2017 school year to a college bound high school senior whose life has been impacted by their high school running experience. We believe that running is a microcosm for life and want to hear how running has impacted you! This scholarship will be funded out of the proceeds of the Journal Jog, a Race178 event and Reno's oldest footrace. The first year of this scholarship was the 2014-2015 school year (the 46th Annual Journal Jog was September 14, 2014).

ELIGIBILITY REQUIREMENTS:

1. The student must be enrolled in a Northern Nevada or Tahoe-Truckee area high school in 2016-2017 school year.
2. The student must be an active member of his or her high school cross country team **AND** track team in that school year.
3. The student must attend college starting in the Fall of the 2017-2018 school year. Scholarship funds are to be applied to tuition or books.

The applicant's annual family income will be considered but will not be the determinative factor. The applicant's ability level will not be a factor, i.e. you do not have to be fast. The applicant is not required to run in college.

Race178 will make a decision in early May, 2017.

Please contact Eric Lerude at Race178 with any questions. Thank you for your interest in the Journal Jog Scholarship.

*Scholarship amount may vary depending upon the success of the Journal Jog. E.g. in the first year Race178 provided two \$500 scholarships.
