

Journal Jog Champions

Race178 became the race owner in 2013. Race178 has compiled this list of past men's and women's champions in an effort to respect the heritage of this longstanding event which we believe to be "Reno's oldest footrace." We have not been able to identify all of the past men's and women's champs nor confirm all of these results. If you have any information about the distinguished history of this event, please contact Eric Lerude at eric@race178.com.

Enjoy this stroll down memory lane.
